- effective from October 1st, 2018.**

CURRENT BY-LAW –

ARTICLE 16 – UNIFORM

16.5 Full length compression garments may be worn with a signed medical certificate lodged to the Competitions Convenor. These compression garments must be uniform colour or black. Medical certificates are valid for the season in which they are issued, exceptions will be granted for ongoing medical conditions.

The following shall now read –

ARTICLE 16 – UNIFORM

16.5 Any compression item must be **solid black** or the same dominant color of playing singlet. If there is a logo or branding on the item, it must not be visible outside of the uniform or must be the same color as the item. The color choice will be decided by the player's club to ensure that teams have uniformity if more than one player in a team is wearing compression gear. This means that if one player is wearing solid black compression gear, any other player in the team must also wear solid black in any compression gear worn. Each player in breach of this ruling will incur a ten (10) point penalty.
